JM Fastener Offering Changes

With continued supply chain and logistics challenges combined with high demand for roofing fasteners and plates, we are announcing the following changes to the JM fastener and plate offering. These changes allow for additional opportunity to fulfill orders for higher volume materials.

Effective Immediately:

White High Load #15 fasteners are being suspended. Orders will no longer be accepted for the following skus:

Product	Material ID
High Load Phillips 2" White 1000/Box	70003130
High Load Phillips 3" White 1000/Box	70003131
High Load Phillips 4" White 1000/Box	70001638
High Load Phillips 5" White 1000/Box	70000617
High Load Phillips 6" White 1000/Box	70001622
High Load Phillips 7" White 1000/Box	70003132
High Load Phillips 8" White 1000/Box	70003124
High Load Phillips 9" White 1000/Box	70003128
High Load Phillips 10" White 1000/Box	70001662
High Load Phillips 11" White 1000/Box	70003133
High Load Phillips 12" White 1000/Box	70003129
High Load Phillips 14" White 1000/Box	70003134
High Load Phillips 16" White 1000/Box	70003135
High Load Phillips 18" White 1000/Box	70003136
High Load Phillips 20" White 1000/Box	70003137

At this time, we are not able to provide a date when these materials will be available again. We will continue to keep our customers updated when the situation changes.

Additionally, the following materials are discontinued, and orders will not be accepted. Please work with your Account Specialist to identify alternate options for existing orders that may be impacted.

High Load 6" Preassembled Phillip Head 250/Box	70000124
High Load 7" Preassembled Phillip Head 250/Box	70000125
High Load 8" Preassembled Phillip Head 250/Box	70000126

In place of UltraFast® #12 Hex Head fasteners, please utilize Phillips head fasteners. In place of UltraFast® Accutrac™ Plate (sku 70000132), please utilize UltraFast® Accutrac Flat Bottom Plate (sku 70000146). In place of Preassembled High Load for in-seam attachment, please utilize separate High Load Fastener and Plate components.

Thank you for your continued business and support of JM products. Please contact your JM Representative with any questions.
